SOUTH VIETNAM

LPA SCORES U.S. AGGRESSION AGAINST CAMBODIA

Hanoi VNA International Service in English 0638 GMT 15 Nov 68 B 11/68

[Text] Hanoi VNA November 15--The South Vietnamese people demand that the U.S.-puppets put an immediate end to all acts of intervention and aggression against the Kingdom of Cambodia and duly compensate the victims of these acts, said GIAI PHONG PRESS AGENCY in a recent commentary.

The official organ of the South Vietnam National Front for Liberation was referring to the intensified air raids and ground intrusions by U.S. and Saigon troops against Cambodia, especially the strafing by U.S.-puppet helicopters on November 6 of areas in Svay Rieng and Kratie provinces, which resulted in 26 civilians killed or wounded.

The agency said: As a close neighbour and comrade in arms of Cambodia, the South Vietnamese people have daily witnessed the savage criminal acts taken again and again by the U.S. aggressors and the Saigon puppet administration against the Khmer people. They strongly denounce to the public these acts of war of the U.S.-puppets, and resolutely support the stern statement issued on that matter by the Cambodian Royal Government on November 9.

It continued: The South Vietnamese people express their admiration for the firm struggle against imperialism waged by the Khmer people under the clear-sighted leadership of Samdech Head of State Norodom Sihanouk. They pledge to stand side by side with the fraternal Khmer people to foil all aggressive schemes of the U.S. imperialists and their henchmen, thus contributing to the defence of the independence, peace and security of the peoples in Indochina, Southeast Asia, and the rest of the world.
