People of the World Unite and Defeat the U.S. Aggressors and All Their Running Dogs!

Mao Tsetung

May 20, 1970

A new upsurge in the struggle against U.S. imperialism is now emerging throughout the world. Ever since World War II, U.S. imperialism and its followers have been continuously launching wars of aggression and the people in various countries have been continuously waging revolutionary wars to defeat the aggressors. The danger of a new world war still exists, and the people of all countries must get prepared. But revolution is the main trend in the world today.

Unable to win in Viet Nam and Laos, the U.S. aggressor treacherously engineered the reactionary coup d'etat by the Lon Nol-Sirik Matak clique, brazenly dispatched their troops to invade Cambodia and resumed the bombing of North Vietnam, and this has aroused the furious resistance of the three Indo-Chinese peoples. I warmly support the fighting spirit of Samdech Norodom Sihanouk, head of state of Cambodia, in opposing U.S. imperialism and its lackeys. I warmly support the joint declaration of the Summit Conference of the Indochinese peoples. I warmly support the establishment of the Royal Government of National Union under the leadership of the National United Front of Kampuchea. Strengthening their unity, supporting each other and persevering in a protracted people's war, the three Indo-Chinese peoples will certainly overcome all difficulties and win complete victory.

While massacring the people in other countries, U.S. imperialism is slaughtering the white and black people in its own country. Nixon's fascist atrocities have kindled the raging flames of the revolutionary mass movement in the United States. The Chinese people firmly support the revolutionary struggle of the American people. I am convinced that the American people who are fighting valiantly will ultimately win victory and that the fascist rule in the United States will inevitably be defeated.

The Nixon government is beset with troubles internally and externally, with utter chaos at home and extreme isolation abroad. The mass movement of protest against U.S. aggression in Cambodia has swept the globe. Less than ten days after its establishment, the Royal Government of National Union of Cambodia was recognized by nearly 20 countries. The situation is getting better and better in the war of resistance against U.S. aggression and for national salvation waged by the people of Viet Nam, Laos and Cambodia. The revolutionary armed struggles of the people of the Southeast Asian countries, the struggles of the people of Korea, Japan and other Asian countries against the revival of Japanese militarism by the U.S. and Japanese reactionaries, the struggles of the Palestinian and other Arab peoples against the U.S.-Israeli aggressors, the national liberation struggles of the Asian, African and Latin American peoples, and the revolutionary struggles of the peoples of North America, Europe and Oceania are all developing vigorously. The Chinese people firmly support the people of the three Indo-Chinese countries and of other countries of the world in their revolutionary struggles against U.S. imperialism and its lackeys.

U.S. imperialism, which looks like a huge monster, is in essence a paper tiger, now in the throes of its death-bed struggle. In the world of today, who actually fears whom? It is not the Vietnamese people, the Laotian people, the Cambodian people, the Palestinian people, the Arab people or the people of other countries who fear U.S. imperialism; it is U.S. imperialism which fears the people of the world. It becomes panic-stricken at the mere rustle of leaves in the wind. Innumerable facts prove that a just cause enjoys abundant support while an unjust cause finds little support. A weak nation can defeat a strong, a small nation can defeat a big. The people of a small country can certainly defeat aggression by a big country, if only they dare to rise in struggle, take up arms and grasp in their own hands the destiny of their country. This is a law of history.

People of the world, unite and defeat the U.S. aggressors and all their running dogs!

'ASIAN CONFERENCE' SERVILE TO U.S. INTERESTS

PEOPLE'S DAILY Commentator Article

Peking NCNA Domestic Service in Chinese 0840 GMT 20 May 70 B

[PEOPLE'S DAILY 20 May Commentator's article: "A Farce in Djakarta"]

[Text]: The farce of the so-called "Asian conference on the Cambodian issue" rigged up by U.S. imperialism has closed hurriedly in Djakarta. This was part of U.S. imperialism's conspiratorial activities to cover up its crime of aggression against Cambodia and its attempt to undermine the Cambodian people's anti-U.S. patriotic struggle and a new step by the Nixon administration in pursuing its policy of making "Asians fight Asians."

One has only to take a look at the conference participants to determine what kind of meeting the Djakarta conference was. Those countries participating in the conference under the "Asian state" flags were all flunkies and puppets of U.S. imperialism and the pawns and accomplices of U.S. imperialism in its aggression against the three countries of Indochina. Samdech Norodom Sihanouk, head of the state of Cambodia and chairman of the National United Front of Kampuchea, has described them as a bunch of "Americanized Asians" and "pseudo-Asians" holding a "fake Asian conference."

This gang of vassals, accomplices, and puppets of U.S. imperialism have the impudence to pretend to claim that they want to "respect Cambodia's sovereignty, independence, neutrality, and territorial integrity." "This is downright ridiculous. The pretext used by U.S. imperialism in instigating the reactionary coup in Cambodia and in launching the aggressive war to massacre the Cambodian people was precisely the so-called "protection of Cambodia's neutrality."

Among the reactionaries taking part in the Djakarta farce, some have long since followed U.S. imperialism and dispatched troops to invade Cambodia and Indochina, some are providing "military assistance" to the puppet clique of U.S. imperialism in Cambodia; and some are openly supporting U.S. imperialism's barbarous aggression against Cambodia. What they call "respect of Cambodia's neutrality" and so forth is meant to help the U.S. aggressors to massacre the Cambodian people, support the Lon Nol-Sirik Matak fascist clique, running dogs of U.S. imperialism, so that U.S. imperialism can boldly expand its war of aggression.
