[Commentary: "The Compatriots Must Hurry Up Now That the Lon Nol-Sirik Matak-Son  
Ngoc Thanh Clique is Routed Everywhere"]

[Text] Soldiers, officers, commandos, self-defense forces, and functionaries serving  
the traitorous Lon Nol-Sirik Matak-Son Ngoc Thanh clique: The doomsday of this  
traitorous clique is drawing near. Entire units of its troops have been routed and  
killed like flies on all fronts throughout Cambodia. Faced with the stormy offensives  
of our armed forces and people, Lon Nol, Sirik Matak, Son Ngoc Thanh and their  
rotten militarist regime cannot escape ignominious death and complete collapse.

Those of you who are retreating from Baray, Kompong Thmar, Taing Krasaing, Balang,  
(Phoc Khsech), Prapich, Beng, Chrey, Chong Do, Prasat and Phnom Santuk on the Route 6  
front, where the Chenla II operation was overwhelmingly routed, know the extent  
of the defeat of the traitorous clique. You saw this with your own eyes, especially  
those of you retreating from Tuol Leap, Peang Lovea, Phnom Basit, Bat Deng, Thmat  
Pong, Samrong Krom, Kambaun, Prey Puoch, Prey Kray, Krang Lovea, and Snuol, Spean  
O At, Kompong Kantuot, Anlong Romeas, Pochentong, and around Phnom Penh, where our  
armed forces and people inflicted heavy defeats on the enemy.

You are aware that the forces of Lon Nol, Sirik Matak, and Son Ngoc Thanh, despite  
the U.S. imperialists' B-52's and Cobras, and despite Nguyen Van Thieu's thousands  
of tanks and cannons, cannot stop the offensives of our armed forces and people,  
let alone win over them. Even the Saigon puppets, who are invading our country  
along Routes 7 and 1, are being smashed. The Saigon dogs and U.S. bandits cannot  
save Lon Nol, Sirik Matak, and Son Ngoc Thanh. They are being defeated on all fronts  
and were crushed on Routes 6 and 7. They were also crushed on Routes 5, 4, 3, 2,  
and 1.

Our armed forces have arrived at the gates of Phnom Penh. They are surrounding Kompong  
Cham Town. Kompong Thom and Siem Reap towns are isolated, while Kompong Chhnang,  
Pursat and Battambang towns are being cut off from Phnom Penh by our armed forces.  
Kompot, Takeo, Svay Rieng and Prey Veng are under siege.

Thus, those of you retreating from the Route 6 front must join our armed forces and people in the liberated zone. You should not hide out and endure starvation. Your wives and children are awaiting your return. If you take risks to go back to the Lon Nol-Sirik Matak-Son Ngoc Thanh clique you will never see your kin again. Those of you who are still in some enemy positions on routes 6 and 7, as well as in Kompong Thom or Kompong Cham towns, should know that the time has come to seek a way to stay alive. Do not sacrifice your lives for Lon Nol, Sirik Matak, and Son Ngoc Thanh; they are approaching their doomsday and preparing to take flight abroad. As for you soldiers at Pochentong, Samrong Station, Phnom Penh and Route 4, who are ordered by Lon Nol, Sirik Matak, and Son Ngoc Thanh to thwart our armed forces in the vicinity of Phnom Penh, you have witnessed the ignominious death inflicted on stubborn troops and commandos of Lon Nol, Sirik Matak, and Son Ngoc Thanh at Tuol Leap, Peang Lovea, Phnom Basit, Rumduol, Wat Po, Kambaul, Ang Snuol, Pochentong, etc.

Our armed forces and people are driving ahead without letup. If you are brave you should turn your guns and cannons against the Lon Nol-Sirik Matak-Son Ngoc Thanh clique, and against their cruel commanders such as Sosthene Fernandez, who is not even a Cambodian. If you want to escape death and desert to the liberated zone, you should kill them first, otherwise they will not allow you to come with us.

If you are not brave enough you should flee under the cover of night. You must think of your lives and your wives and children. Once you reach the liberated zone your lives will be safe and your kin happy. Furthermore, when you arrive at the liberated zone you should tell our units to liberate your wives and children; our units will certainly do that for you.

Beloved compatriots living in Phnom Penh and provincial towns such as Kompong Cham, Kompong Thon, and Siem Reap, etc; you should desert these towns with your families and join the liberated zone. Our armed forces and people are opening big offensives and the Lon Nol-Sirik Matak-Son Ngoc Thanh clique is being routed. The U.S. imperialists and Saigon puppets cannot save this clique from defeat. Thieu cannot help Lon Nol, Sirik Matak, and Son Ngoc Thanh because he himself is being crushed by the armed forces and people of Vietnam. The sending of Thieu's troops into our territory is only aimed at plundering your property and raping your wives and girls. There is nowhere else but the liberated zone where your lives and property can be safe.

You should come with us. Join us and we will welcome and help you wholeheartedly. Our Cambodian National People's Liberation Armed Forces and people are everywhere. We are all of the same blood. Be assured that our National United Front of Kampchea, Royal Government of National Union, and cadres at all levels are waiting to welcome you.

PENN NOUTH SENDS MESSAGE TO COMPATRIOTS ON FIGHTING LON NOL

Peking NCNA International Service in English 2210 GMT 10 Dec 71 B

[Text] Peking, December 10 (HSINHUA)--Samdech Penn Nouth, Prime Minister of the Royal Government of National Union of Cambodia and Chairman of the Political Bureau of the Central Committee of the National United Front of Cambodia, issued a message today, calling on the Cambodian monks, militarymen, government employees, intellectuals and students living in the areas temporarily under enemy control to free themselves from the enemy claws and unite with the people to strike at the treacherous Lon Nol-Sirik Matak-Son Ngoc Thanh clique.

The message says, "About 20 months have passed since March 18, 1970. Cambodia was plunged into unprecedented darkness after the reactionary coup d'etat staged by the treacherous Lon Nol-Sirik Matak-Son Ngoc Thanh clique which is greedy for fame and wealth, position and U.S. dollars at the bidding of U.S. imperialism. War flames caused by the barbarous aggression of U.S. imperialism were thus kindled in peaceful Cambodia. In the areas temporarily under enemy control, brutal fascist law was enforced by U.S. imperialism and its lackeys, the Nguyen Van Thieu clique and the Lon Nol-Sirik Matak-Son Ngoc Thanh clique, which slaughtered the innocent people everyday, persecuted the monks in every way and destroyed temples and other precious heritage of our forefathers." "The Phnom Penh traitors have sold parts of Svay Rieng, Prey Veng, Kompong Cham, Kampot and Takeo Provinces, a number of islands and territorial waters to the Saigon and Bangkok gangsters."

The message goes on, "The monks, compatriots and brothers in the areas temporarily under enemy control, please ponder over all these. Are they measures for so-called 'saving the nation and Buddhism'? Since there are prisons, fetters, slaughter, robbery, strafing and bombing everywhere and since our brothers are forced to go to the battlefield to die for them or to live in the strategic hamlets after abandoning their fields and leaving their homes, where are the 'freedom, equality, friendship, progress and happiness' or 'the Republic of Khmer, parliamentarism and democracy' these traitors have been boasting? All these are nothing but slogans and signboards for deceiving the people."

The message continues, "The more ferocious are U.S. imperialism and its stooges, the more courageously the Cambodian people will fight. Despite the large quantity of modern lethal weapons, possessed by the U.S. imperialists and their lackeys, they cannot escape their inevitable doom. Since the fascist coup, the people, monks and the Cambodian National People's Liberation Armed Forces, under the correct leadership of the National United Front of Cambodia with Head of State Samdech Norodom Sihanouk as its chairman, have risen united as one, without retreat or compromise in a revolutionary struggle to liberate the nation and the people. With the active help of the people and monks, our people's national liberation armed forces, braving all kinds of difficulties and launching courageous attacks in all forms on the U.S. imperialists and their lackeys on various fronts, have won shining, tremendous victories and liberated eight tenths of our land and five million of the seven million people."

The message says, "I make an urgent appeal to the monks and brothers living in the areas temporarily under enemy control, particularly those in Phnom Penh, calling on you to rise up, holding high the banner of unity and combat of the National United Front of Cambodia, and further oppose and smash the enemy schemes by every means."

The message calls upon the officers and men of the Lon Nol-Sirik Matak-Son Ngoc Thanh puppet troops to free themselves from the enemy claws, return to the ranks of the people and unite with the people to deal blows at the treacherous Lon Nol-Sirik Matak-Son Ngoc Thanh clique.

In conclusion, the message says, "respected monks and beloved compatriots living in the enemy-controlled areas, the time has come: Brothers, please rise up quickly and launch, together with the people of various nationalities and various strata and the Cambodian National People's Liberation Armed Forces, valiant attacks without retreat or compromise on U.S. imperialism and its lackeys, the treacherous Lon Nol-Sirik Matak-Son Ngoc Thanh clique, and proceed to seize spectacular victories in this dry season."
