[Text] South Vietnam November 8 LPA--President Nguyen Huu Tho and President Huynh Tan Phat sent a joint message of greetings to Samdech Norodom Sihanouk, head of state and chairman of the National United Front of Kampuchea, (?and Samdech Penn Nourh), chairman of the Political Bureau (?of the Central Committee of the National) United Front of Kampuchea and premier of the Royal Government of National Union of Cambodia on the occasion of the National Day (November 9) of the country. The message reads in full as follows:

"On the occasion of the 19th anniversary of the National Day of the Kingdom of Cambodia, on behalf of the South Vietnamese people, National Front for Liberation and Provisional Revolutionary Government of the Republic of South Vietnam, and in our own names, we wish to convey to Samdech head of state, Samdech premier, the National United Front of Kampuchea, the Royal Government of National Union of Cambodia and the entire fraternal Cambodian people our warmest congratulations.

"In the past 19 years, persisting in the correct line of Samdech head of state the basic content of which is to defend the independence, peace and neutrality of Cambodia and to enhance solidarity and friendship with the other Indochinese countries, the Cambodian people have foiled all the schemes of destruction and intervention by the U.S. imperialists, and defended their sacred national rights. Since the U.S. imperialists openly invaded Cambodia, starting with the March 18, 1970 reactionary coup d'etat in Phnom Penh, responding to the March 23, 1970 appeal for national salvation of Samdech head of state, the Cambodian people have, millions as one man, risen up under the glorious banner of the National United Front of Kampuchea with the resolve to wage a holy resistance against the U.S. aggressors and the Lon Nol-Sirik Matak-Son Ngoc Thanh clique of traitors and recorded resounding victories.

"After more than 2 years of staunch and valiant struggle, the heroic Cambodian people and liberation armed forces, holding the initiative and enhancing their position of victorious offensive have smashed all military adventures, political manoeuvres and diplomatic ploys of the U.S. imperialists and their stooges, inflicted a serious setback on the "Nixon doctrine" and the U.S. policy of "Khmerization" of the war, driven the U.S. aggressors and the Phnom Penh puppet administration into utter isolation and confusion, thus creating a very bright situation favorable to the just fight of the Cambodian people. Eighty-five percent of Cambodia's territory with five million inhabitants was completely liberated. The prestige of the NUFK with Samdech head of state as chairman, and of the RGNUC with Samdech Penn Nouth as premier and Mr Khieu Samphan as vice premier, has been ceaselessly raised at home and abroad.

"The great and allround victories of strategic significance recorded by the Cambodian people have further glorified the marvelous Angkor tradition. They have greatly inspired the South Vietnam people and armed forces in their determination to foil the U.S. policy of "Vietnamization of the war," thus effectively contributing to the common victory of the three Indochinese peoples in their fight against the U.S. aggressors, for the independence and peace of each country and for peace and security in Southeast Asia and the rest of the world.

"The South Vietnamese people warmly welcome the splendid achievements scored by the fraternal Cambodian people and wish them many and yet greater [words indistinct] till total victory so as to build an [words indistinct] neutral, peaceful, (?democratic) and prosperous Cambodia [words indistinct].

"On the occasion of this solemn anniversary, on behalf of the South Vietnam people, National Front for Liberation and Provisional Revolutionary Government, we express our sincere gratitude to Samdech head of state, Samdech premier, the NUFK, the RGNUC and the Cambodian people for their precious support and effective assistance to our anti-U.S. fight for national salvation.

"Loyal to the joint declaration of the Indochinese People's Summit Conference, the South Vietnamese people together with their northern countrymen resolutely unite with the brotherly Cambodian and Lao peoples in the common struggle against U.S. aggression till complete victory. The South Vietnamese people and the Provisional Revolutionary Government solemnly affirm their unswerving policy vis-a-vis Cambodia. That is to respect the independence, sovereignty, neutrality and territorial integrity of the Kingdom of Cambodia in her present borders, and to wholeheartedly support the great patriotic fight of her people against the U.S. aggressors and their lackeys till final victory.

"May the friendship, unshakable militant solidarity and lasting cooperation between the peoples of South Vietnam and Cambodia consolidate and develop with every passing day!"

On this occasion, Foreign Minister Nguyen Thi Binh sent a message in the same vein to her Cambodian counterpart, His Excellency Sarin Chhak.

[Text] South Vietnam November 9 LPA--Lawyer Trinh Dinh Thao, chairman of the Vietnam Alliance of National, Democratic and Peace Forces today sent a message of congratulations to Samdech Norodom Sihanouk, head of state and chairman of the National United Front of Kampuchea on the occasion of the National Day (November 9) of this country. The message said among other things:

For a long period in the past, the Cambodian people, enhancing the marvelous angkor tradition and following correctly the clear-sighted line of Samdech Head of State, persistently struggled against the intervention of the U.S. and its stooges to defend independence and build a prosperous Cambodia in peace and neutrality.

Today, under the leadership of the National United Front of Kampuchea with Samdech as chairman, the Cambodian people are resolutely waging a holy resistance to U.S. aggression, for national salvation and have recorded splendid victories. The heroic Cambodian people and liberation armed forces have defeated all the aggressive troops of the U.S. imperialists and their Saigon and Bangkok stooges. The Lon Nol puppet army--the mainstay of the U.S. policy of "Khmerization" of the war--has sustained heavy setbacks, is driven into a situation of being encircled on all battlefields in Cambodia, including Phnom Penh. The Phnom Penh puppet administration, a tool for the realization of the U.S. policy of aggression, has been completely isolated and ever more weakened by internal dispute.

The Vietnam Alliance of National, Democratic and Peace Forces warmly welcomes the brilliant and allround victories of strategic significance recorded by the fraternal Cambodian people, and considers them as a vigorous encouragement to the South Vietnam liberation armed forces and people to continue to persist in and step up their fight for national salvation. We are firmly convinced that under the leadership of the National United Front of Kampuchea and the Royal Government of National Union of Cambodia, the staunch and undaunted struggle of the Cambodian people against the U.S. aggressors and the Lon Nol-Sirik Matak-Son Ngoc Thanh clique of traitors, will win total victory.

The Vietnam Alliance of National, Democratic and Peace Forces together with the entire Vietnamese people, fully supports the great and just struggle of the Cambodian people, and unite forever with the fraternal Cambodian and Lao peoples in the fight against the common enemy, the U.S. imperialists, to final victory.

On this occasion, on behalf of the VANDPF Central Committee I sincerely thank Samdech Head of State, the National United Front of Kampuchea, the Royal Government of National Union of Cambodia and the Cambodian people for their wholehearted and precious support and assistance to the South Vietnam people's national salvation fight against U.S. aggression.

May the friendship and militant solidarity between the peoples of South Vietnam and Cambodia last forever.

With my respectful salutation!
