PRGRSV LEADERS GREET NUFC LEADERS ON ANNIVERSARY

Tho, Phat Message

LPA from North Vietnam [Clandestine] in English to East Europe and the Far East
1648 GMT 22 Mar 75 OW

[Text] South Vietnam March 22 LPA--President Nguyen Huu Tho of the Presidium of the Central Committee of the South Vietnam National Front for Liberation and of the Advisory Council of the Provisional Revolutionary Government of the Republic of South Vietnam and President Huynh Tan Phat of the PRGRSV on March 20, 1975 sent a joint message of greetings to Samdech Head of State Norodom Sihanouk, chairman of the National United Front of Cambodia, and Samdech Penn Nouth, chairman of the Political Bureau of the NUFC. Occasion was the 5th anniversary of the foundation of the National United Front of Cambodia.

The message reads in full as follows:

On the occasion of the 5th anniversary of the foundation of the National United Front of Cambodia (NUFC), on behalf of the people, National Front for Liberation and Provisional Revolutionary Government of the Republic of South Vietnam and in our own names, we wish to extend to samdech head of state, samdech premier, the National United Front of Cambodia, the Royal Government of National Union and the fraternal people of Cambodia our warmest greetings.

In the past 5 years, under the glorious banner of the National United Front of Cambodia, the people and the People's National Liberation Armed Forces of Cambodia have overcome all difficulties, valiantly fought against the U.S. imperialists and their stooge clique of traitors in Phnom Penh and repeatedly recorded many and ever greater victories. The liberated zone occupying 97 percent of the territory with a population of 6 million has been built [in] all fields. The prestige of the National United Front on Cambodia and the Royal Government of National Union of Cambodia--the only legal and legitimate representative of the Cambodian people--has continuously risen at home and on the international arena.

In the wake of resounding victories recorded on the battlefields, the 2nd people's national congress of Cambodia proceeded successfully. This once again proved that with their ironlike determination and unshakable strength of unity, the Cambodian people will bring their cause for national salvation to total victory.

The people, National Front for Liberation and Provisional Revolutionary Government of the Republic of South Vietnam are extremely elated at, and very proud of the glorious victories scored by their extremely intimate companions-in-arms.

We are firmly convinced that under the wise leadership of the National United Front of Cambodia with Samdech Head of State Norodom Sihanouk as chairman and the Royal Government of National Union of Cambodia with Samdech Penn Nouth as premier and His Excellency Khieu Samphan as vice-premier, the heroic Cambodian people will attain new and yet greater feats-of-arms and foil all military adventures of the U.S. imperialists and their henchmen in Phnom Penh and Saigon as well.

Loyal to the declaration of the Summit Conference of the Indochinese Peoples, the South Vietnamese people together with their blood-sealed compatriots in North Vietnam pledge to ceaselessly strengthen their militant solidarity with the fraternal peoples of Cambodia and Laos in the great cause for independence and freedom of each people on the Indochinese peninsula.

On this occasion, we hope to express profound gratitude to the brotherly Cambodian people for their sympathy, great support and previous assistance to the South Vietnamese people's just struggle in the past and in the present stage.

May the intimate friendship and close militant solidarity between the South Vietnamese people and the Cambodian people last forever.

We wish to convey to samdech head of state and samdech premier fraternal and respectful salutations.
