[Text] South Vietnam October 30 LPA--President Nguyen Huu Tho and President Huynh Tan Phat today sent the following message of greetings to Samdech Head of State Norodom Sihanouk, chairman of the National United Front of Kampuchea, on the occasion of his 50th birth anniversary:

On the occasion of Samdech's 50th birth anniversary, on behalf of the people, National Front for Liberation, Provisional Revolutionary Government of the Republic of South Vietnam, and in our own names, we wish to convey to you--an outstanding patriot, a respected and beloved head of state of the heroic Cambodian people and a very close and intimate friend of the Vietnamese people--our most cordial and warmest congratulations.

The South Vietnamese people highly admire Samdech, a brilliant head of state, the representative of the authenticity and continuity of the Cambodian state, the leader of the National United Front of Kampuchea who in the past turned the beautiful country of Cambodia into an "oasis of peace," and now a banner rallying the Cambodian people to wage their glorious and victorious war of resistance against U.S. aggression for national salvation.

The South Vietnamese people engrave for ever in their mind the deep and fraternal sentiments, the timely and unswerving support and precious assistance reserved by Samdech, the National United Front of Kampuchea, the Royal Government of National Union of Cambodia to our anti-U.S. fight for national salvation. Your initiatives have worthily contributed to continuously consolidating and developing the friendly neighbor relations between the Vietnamese and Cambodian peoples and strengthening the fighting unity of the three Indochinese peoples in the great cause for the independence and freedom of each country. They constitute for ever a very precious contribution to the time-honored relationship between our two peoples, and which every Vietnamese always highly values.

We warmly welcome the new victories recorded by the Cambodian people and armed forces on military, political and diplomatic fields and sincerely wish them to record, under the leadership of the NUFK and RGNUC, headed by Samdech Head of State, new and yet more brilliant successes to advance to win total victory over the U.S. imperialist aggressors and the Lon Nol, Sirik Matak and Son Ngoc Thanh clique of traitors. The South Vietnamese people, for their part, are unswervingly faithful to the joint declaration of the Indochinese People's Summit Conference and resolutely support the great patriotic struggle of the Cambodian people till their final victory.

We wish Samdech head of state and Madame Princess Monique Sihanouk good health and happiness.

With our fraternal and respectful salutations.
