(HANOI WORKERS FIGHT WELL AND PRODUCE WELL)

(TEXT) HANOI, 30 THREEZERO OCTOBER--HANOI'S FIGHTING AGAINST U.S. BARBAROUS RAIDS DURING THE PAST FEW DAYS HAS BROUGHT OUT THE REVOLUTIONARY HEROISM OF THE WORKERS AND OTHER PEOPLE IN THE CAPITAL. THIS WAS POINTED OUT IN AN EDITORIAL OF NHAN DAN TODAY. THE PAPER HIGHLIGHTED THE VANGUARD ROLE SHOWN BY HANOI WORKERS WHO HAD, TOGETHER WITH OTHER STRATA OF THE POPULATION, DEALT HARD BLOWS AT THE AMERICAN MARAUDERS WHILE CONTINUING TO INSURE PRODUCTION.

THE PAPER SAID: WORKERS AT ALL FACTORIES AND ENTERPRISES IN THE CAPITAL CITY HAVE TAKEN PART IN THE FIGHT WHETHER IN DAYTIME OR AT NIGHT. THEY WERE AMONG THE FIRST TO GO AND CAPTURE PARACHUTING U.S. PILOTS. AT ALL FACTORIES PRODUCTION RESUMED IMMEDIATELY AFTER THE ALL-CLEAR. IN SOME CASES, WORKERS KEPT THEIR MACHINES GOING EVEN WHILE ENEMY PLANES WERE BOMBING AND ROCKETTING. AFTER EACH RAID THE CITY AGAIN SHONE WITH ELECTRIC LIGHT, TRAFFIC REMAINED OPEN, AND PRODUCTS CONTINUED TO COME OFF THE LINE.

TYPICAL OF THE WORKERS DAUNTLESSNESS IN FACE OF THE ENEMY'S BRUTALITIES ARE THE WORKERS OF FACTORY YYY WHO HAVE MORE THAN ONCE CONFRONTED DIVEBOMBING U.S. PLANES, AND WHO HAVE NOT EVEN FOR A MINUTE LEFT THEIR MACHINES IDLE. ON A BATTERY POSITION, STOKER LE QUY NGHI CALMLY COMMANDED A UNIT OF THE FACTORY'S HOME GUARD. A BOMB FELL NEARBY BUT THE UNIT KEPT BLAZING AWAY AT THE PLANES.
