AKI: CPNLAF CONTINUING OFFENSIVE 'WITHOUT COMPROMISE'

CAMBODIAN INFORMATION AGENCY [Clandestine] in French to East Asia 1154 GMT 10 Apr 75 BK

[Text] Cambodia, 10 April, AKI--According to information from Bangkok, traitor Long Boret, the U.S. imperialists and their Bangkok puppets on 8 April announced a so-called "4-hour meeting in Bangkok" between Long Boret and a representative of the Cambodians of the other side. These are the foulest, most abject, lying and misleading remarks. However, not only has sensible public opinion at home and abroad refused to believe this news but has also denounced and condemned these tricky and mendacious cowardly remarks, whose sinister aim is to lead the U.S. Congress astray so it will provide aid to the U.S. imperialist lackeys in Phnom Penh--who are already dead militarily, politically and economically and who will be completely annihilated in the near future.

The Cambodian nation and people, NUFC and RGNUG have already brought in a verdict against the seven supertraitors Lon Nol, Sirik Matak, Son Ngoc Thanh, Cheng Heng, In Tam, Long Boret and Sosthene Fernandez. Traitors Lon Nol, Cheng Heng, Sosthene Fernandez, Son Ngoc Thanh and In Tam have fled Phnom Penh, or else they certainly would be annihilated by the masses in the areas under temporary enemy control. The residents and youths will annihilate and put an end to the existence of traitors Sirik Matak and Long Boret, who are now in Phnom Penh.

At present, the people and CPNLAF are attacking Phnom Penh from all sides. The functionaries, soldiers and officers in the ranks of the traitors on various battle-fronts have laid down their arms and rallied to the NUFC one after another. No maneuver, however perfidious, vile and abject, can hinder the raging attacks of the CPNLAF. The Cambodian people are pursuing their offensive without compromise of negotiations, and the popular armed forces and the people of Cambodia will annihilate the archantidational, archrotten, archfascist traitors Lon Nol, Sirik Matak, Son Ngoc Thanh, Cheng Heng, In Tam, Long Boret and Sosthene Fernandez as well as their regime.

The CPNLAF has already reached the doorsteps of Phnom Penh, Prey Veng, and Kompong Speu cities and are advancing toward liberating Cambodia 100 percent.

FOREIGN OFFICE WITHHOLDS COMMENT ON SIHANOUK 'ATTACK'

Jakarta ANTARA in English 0928 GMT 9 Apr 75 BK

[Text] Jakarta April 8 (ANTARA)--The foreign office Tuesday [8 April] did not want to comment on a verbal attack against Indonesia by Prince Norodom Sihanouk. Sihanouk stated in Peking Monday that Indonesia was one of the worst mortal enemies of independent and non-aligned Cambodia. Sihanouk charged Foreign Minister Adam Malik with lying and slandering in stating that the Red Khmers had made approaches to Indonesia in view of a Cambodian settlement and that Prince Sihanouk himself could be contacted.

Sources collected by ANTARA said Foreign Minister Adam Malik had never made a statement to the effect that Cambodian insurgents had contacted Indonesia in a bid to find a settlement to the Cambodian crisis. Malik had only appealed to the warring parties to come to the conference table to find a peaceful settlement.

NATION MAINTAINS STAND ON PRGRSV, CAMBODIA RECOGNITION

Oslo APTENPOSTEN in Norwegian 10 Apr 75 p 26 LD

[Unattributed report: "Norway Waits--No Recognition for PRGRSV"]

[Text] The government has no intention of changing Norway's diplomatic relations with the parties in South Vietnam or in Cambodia until the situation has been fully clarified. Nor is there any question of the PRGRSV being allowed to establish representation in Norway on the Swedish model. Foreign Minister Knut Frydenlund said this to the Storting yesterday after Finn Gustavsen, group leader of the Socialist Left Party, took up the question of recognition of the PRGRSV and the Royal Government of National Union of Cambodia.

Frydenlund recalled that Norway in principle attached crucial importance to how much physical control a party had over the territory before an eventual international law recognition. As far as Vietnam was concerned, the foreign minister said that developments were now so rapid and the situation so fluid that the government thought it right to wait for full clarification before considering the question of changing relations with the parties. He believed that the possibility of a situation leading to political negotiations and a political solution should not be excluded.

On the subject of Cambodia, Foreign Minister Frydenlund said that Norway did not have diplomatic relations with any of the parties in this conflict. The government would wait for clarification on this also.

Gustavsen believed that there was no doubt about who now had control of South Vietnam and that there had long been no doubt about Cambodia. Norway should at least consider allowing the PRGRSV to establish a general delegation in Norway, he said. This was rejected by Frydenlund.

SV Supports PRGRSV Recognition

Oslo APTENPOSTEN in Norwegian 5 Apr 75 Evening Edition p 10 LD

[Unattributed report: "Socialist Left Party Tribute to North Vietnam"]

[Text] "The Socialist Left Party welcomes with great joy the news that the Vietnamese people are establishing their national self-determination through a coalition of all the Vietnamese people against foreign infiltration and occupation," notes a statement from the Socialist Left Party [SV] main executive which has discussed the latest developments in Vietnam. It states that a final victory for the liberation front and the PRGRSV will insure a final peace. It will be a peace which is a prerequisite for a normal life for the hard-hit Vietnamese people.

For more than 30 years the Vietnamese people have been subject to foreign aggression and occupation. For 10 years the entire U.S. war industry tried out and used its most inhuman weapons, including napalm and other chemical warfare, on this people. The Saigon regime has, with U.S. support, broken the 1973 peace agreement. The country's liberation has support among the people and thus the NPLSV and the PRGRSV are today the real representatives of the Vietnamese people in South Vietnam. The SV demands that the government and the Storting grant exceptional and extensive humanitarian aid to the population of South Vietnam and recognize the PRGRSV.

SIHANOUK, KHIEU SAPHAN DENY CONTACT WITH 'OTHER SIDE'

Peking NCNA in English 1606 GMT 10 Apr 75 OW

[Text] Peking, April 10, 1975 (HSINHUA)--The alleged "contacts" between the "two sides of the Khmer" in Bangkok were denounced as rumour by Samdech Norodom Sihanouk, head of state, and chairman of the National United Front of Cambodia and Khieu Samphan, deputy prime minister, minister of national defence, of the Royal Government of National Union of Cambodia and commander-in-chief of the Cambodian People's National Liberation Armed Forces, in their statement on April 8, according to AKI.

Samdech Sihanouk's statement says: "On behalf of the NUPC, the RGNUG and the CPNLAF, I denounced the gross and despicable rumour spread by the authorities of Thailand, and reiterate the total and irreversible refusal of the Cambodian resistance to negotiate with the super traitors -- Lon Nol, long Boret, Saukam Khoy, Hang Thu Hak, Ung Bun Hor, Sak Sutsakhan, Lon Non, Pan Sothi and Keukky Lim."

Deputy Prime Minister Khieu Samphan says in his statement: "The National United Front of Cambodia and the Royal Government of National Union of Cambodia, in the name of the Cambodian nation and people and the People's National Liberation Armed Forces, declare the categorical rejection of this jugglery". "This is a vile manoeuvre any dignified statesman would reject."

The statement says: "The National United Front of Cambodia and the Royal Government of National Union of Cambodia reaffirm what they repeatedly assured the public opinion, at home and abroad that they have never held negotiations with the traitors and will never do so."
